- Make weekly contacts by phone, mail, email, or face-to-face with your Cadet after they complete the Residential portion of the program
- Mail or e-mail a monthly report to Florida Youth Challenge Academy on the progress of your Cadet

The Mentor Acceptance Process:

Once the Recruitment Placement and Mentor Office receives your application, there are a few steps to acceptance. They are as follows:

1. Receive completed Mentor application packet.
2. The Mentor submits the completed DJJ standard forms, Mentor Questionnaire, finger print cards, and two (2) letters of reference.
3. Prior to Admissions Day, the Mentor Coordinator will send you an Introductory Letter with the training dates for the Mentor to choose from.
4. Prior to the Mentor training day, that you have chosen, an information packet and a gate pass will be mailed to you.

Mentor Day:

Mentor Day will be offered on three (3) dates during the Residential Phase in order to accommodate all the Mentors. You will only be required to attend one of these dates.

During the training you will hear from past Mentors, get the opportunity to network with other Mentors and meet all the Staff who will be supporting you and your Cadet. There will be lunch during training. After training is complete, there will be a ceremony.

The Matching Ceremony: This is when the Mentor and the Cadet or as is known on this day, the Mentee make a vow to work together and use the skills they have both learned—the Cadet has also gone through a course in being an effective Mentee. Pictures are taken, a contract is signed, vows are read to each other, and a pin commemorating the day is exchanged. This is a very big day for the Cadets and the entire campus takes part in this event. Once this ceremony is complete, the Mentor is allowed to visit the Academy with his/her cadet.

Mentor/Cadet Relationship:

As a Florida Youth ChalleNGe Mentor, you will be expected to maintain contact once you are matched, during the Residential Phase and all 12 months of the Post-Residential phase.

During the Residential or Challenge Phase, communication is primarily letters and telephone calls. You are expected to write your Cadet at least one letter per week and he or she is expected to do the same. Once Mentors are matched, you are encouraged to visit your Cadet at the Academy on the specific visitation days.

Once the Cadet graduates and enters the Post-Residential Phase, the Mentor maintains contact with their Cadet at least four times per month. At least two (2) of those contacts must be face-to-face. At the end of each month a report must be submitted to the assigned Case Manager indicating what took place at those meetings as well as any problems, changes or progress made by the Cadet. Mentors must also notify the Mentor Coordinator if there are any changes in address, phone number, or significant problems with their Cadet.
